CYBER INSURANCE SOLUTIONS

WESTFIELD SPECIALTY CYBER SOLARA™

CYBER INSURANCE FOR A BRIGHTER TOMORROW

Cyber Solara combines specialised underwriting, tailored incident response and proactive risk support to help businesses prevent, respond and recover from cyber threats. A flexible solution, built around four core pillars.

01

BROAD, FLEXIBLE COVERAGE

Tailored protection for a wide range of cyber exposures, with flexible limits and structures.

Available on a primary and excess basis.

02

TAILORED INCIDENT RESPONSE & CLAIMS SERVICE

In-house dedicated claims service focused on providing timely and coordinated support.

24/7 incident response and access to leading forensics, legal and crisis specialists.

03

PROACTIVE RISK SUPPORT

Practical services, tools and insights to strengthen resilience and reduce your exposure.

A variety of services are included at no additional cost.

04

A LONG-TERM RELATIONSHIP

A collaborative approach built on trust, expertise and a shared focus on what's next.

TAILORED TO YOUR NEEDS

We can also tailor the incident response to your requirements, working with alternative breach response vendors where there is an existing relationship or local preference.

HOW TO NOTIFY AN INCIDENT

In the event of a cyber incident, contact our dedicated 24/7 hotline to receive immediate support. Our team will take your call and triage the incident, engaging our solution providers as required.

24/7 INCIDENT HOTLINE*
+44 20 4583 3103

1. **NOTIFY** – Contact us via our 24/7 hotline.
2. **TRIAGE** – An initial call takes place to evaluate the risks and coordinate support.
3. **MANAGE** – Specialist teams are engaged to manage response.
4. **RESOLVE** – We work with you to contain and resolve the incident.

CLAIMS EXPERTISE THAT DELIVERS

Our experienced cyber claims team works alongside you and our incident response providers to deliver a coordinated, commercial and effective claims service.

DEDICATED CYBER CLAIMS
Cyber claims specialists with experience spanning 10+ years.

MULTIPLE CLAIMS AWARDS
Finalist and highly commended, 2025-2026.

1-DAY
Average lead response time – significantly faster than Lloyd's peers.

*Westfield Specialty International policies only.

This document is a marketing communication intended for insurance professionals and provides general information only. It is not an offer, solicitation, recommendation or commitment to provide insurance and does not form part of any insurance contract. It is intended to be used together with advice from professional insurance advisers.

Cyber Solara is available through Westfield Specialty Syndicate 1200 at Lloyd's, managed by Westfield Specialty Managing Agency Ltd, and through Westfield Specialty International (Europe) S.A., subject to applicable underwriting criteria, territorial availability and local legal and regulatory requirements. Products, coverage and services may not be available in all jurisdictions or through each underwriting platform.

Coverage, limits, terms, conditions, exclusions and associated services may vary according to the insured's circumstances, risk profile, location, jurisdiction and the entity or underwriting platform issuing the policy. Coverage is determined solely by the applicable policy wording, schedule, endorsements and other policy documentation as issued. In the event of any inconsistency between this document and the issued policy documentation, the issued policy documentation will prevail.

All applications are subject to applicable underwriting standards and guidelines. Any examples of coverage or services are illustrative only and do not confirm that coverage will apply in any particular circumstances. Regulatory fines, penalties and extortion payments are covered only where lawful and insurable and remain subject to the applicable policy terms, insurer consent, sanctions requirements and other legal and regulatory restrictions.

Westfield reserves the right to change the terms, conditions and availability of its products and services.
